

ACCEPTED MATERIALS FOR METALS RECYCLING

Tin/Appliances *Light gauge steel material (under 1/4" in thickness)

**We accept but don't pay for refrigerated appliances containing freon, e.g., fridges, freezers and bikes or sealed cylinders such as empty helium tanks, propane tanks or gas tanks, steel wire or cable not cut to prepared length.*

Appliances	BBQs	Empty Paint Cans	Racking
Auto Body Parts	Crushed Cars	Lawnmowers	Steel Siding

Steel/Cast Iron

*Oversized steel *over 3ft x 2 ft lengths, heavier than 1/4" in thickness*

*Prepared steel *under 3ft x 2 ft lengths, heavier than 1/4" in thickness*

Angle Iron	Engine Blocks (Whole or Part)	Steel Pipe/Tubing	Structural Steel
Brake Rotors & Drums	Farm Equipment	Steel Plate/Frames	Transmissions

Electronics

Desktop Printers	Home Theatre Systems	Non-Cellular	TVs
External Storage Drives	Keyboards	Telephones	Vehicle Audio/Video
Fax Machines	Mice & Trackballs	Portable Audio/Video	Systems
GPS Systems	Microwaves	Systems	Video Gaming
Home Audio/Video Systems	Modems	Scanners	Consoles

Aluminum

Automotive Parts
Car Rims
Radiators
Siding & Eavestroughing
Windor & Door Frames

Brass

Decorative Figurines
Faucets
Gun Shells
Keys
Plumbing Fixtures

Copper

Copper Plumbing Pipe (New or Used)
Copper Wire Free of Coating

Electric Motors

Alternators
Copper wound motors/transformers
Starters

Insulated (Coated) Wire

Armored Cables/BX Cable
Christmas Lights
Electric Cable
Extension Cords
Jumper Cable

Lead

Batteries Containing Lead Acid (e.g., Automotive Batteries)
Wheel Weights
X-Ray Equipment

Radiators

Automotive or Industrial Radiators
Radiators used in A/C or Refrigeration Units

Stainless Steel

Cutlery
Kitchen Sinks
Sheets, Piping, Tubing & Turning
