HOW SPONSORSHIP WORKS

DONATING AS PART OF SECURE'S 2026 STAMPEDE CHARITY PARTY HAS PERKS...

Join us as a sponsor to amplify the do-good spirit that unites our community during Stampede.

This isn't your typical sponsorship opportunity.

Since SECURE offers the perks, our charitable partners are able to grant a tax receipt for your entire donation. 100% of it.

This year, we've made it easier than ever for our sponsors to get involved, as well as added extra value. Giving back is good enough, but we want to sweeten the pot for our generous friends.

If you are interested, click the button at the end of the package to complete our online form with your desired sponsorship level. SECURE will contact you with next steps to facilitate your donation.

We can't wait to hear from you.

YOU'LL BE IN GOOD COMPANY.

Thank you to last year's sponsors who helped us make history.

SINCE STARS' VERY FIRST MISSION IN 1985, PROVIDING CRITICAL CARE, ANYWHERE, HAS BEEN THEIR NORTH STAR - GUIDING EVERYTHING STARS DOES.

The flying intensive care units, crewed by world-class air medical personnel, are a beacon of hope to those in their hour of greatest need. STARS averages 10 missions every day, and since it began over 40 years ago, STARS has flown more than 63,000 missions.

CALGARY FOODBANK

THE CALGARY FOOD BANK IS ON A MISSION TO MAKE FOOD ACCESSIBLE TO EVERYONE IN OUR CITY.

As the first line of emergency food support for people in crisis, we serve families, individuals and other charitable organizations to ensure that everyone in Calgary has enough to eat. We receive almost no government funding and instead we are by community, for community, relying on the generous support of people like you.

WE DISTRIBUTED 202,926 EMERGENCY FOOD HAMPERS IN OUR LAST FISCAL YEAR, AND THIS YEAR, WE ARE ON TRACK TO SERVE EVEN MORE.

Food insecurity is soaring across the country, and as a result, there is no longer a "typical" food bank user. Our research shows that 27 per cent of households accessing an Emergency Food Hamper are working full time. Additionally, seniors are one of the fastest growing demographics.
